

Tri Star Metals

# TRI-CUT SWISS™

*Delivering Stainless, Aluminum and Nickel Solutions*

TRI-CUT SWISS™ is produced specifically for Swiss and other precision machine operations that demand bar stock with better than standard tolerances and attributes. Tri Star understands the unique needs of this industry segment that uses specialized machines to meet the increasingly complex part demands of their end users.

TRI-CUT SWISS™ has the superior machinability and consistency of all TRI-CUT products with the strictest standards for dimensional conformity.

## Tri-Cut Swiss™ Added Value:
